Academics

There is a lot that goes on at Polk-Hordville High School. With these two pages we will only touch on the many activities taking place in the classrooms. Everyday exciting aspects could be found to get on film.

The opportunities for school are numerous, the students only have to decide the field they would like to study, from college-prep courses to tech classes to fine or practial arts. The choices are wide spread and full of surprises.

Teachers get together every chance they have to plan strategies. We start from day one, in the gym, with the welcome to the students, till spring when we can get outside. The fresh air helps in clearing our minds. Then some replan alone after seeing the students work.

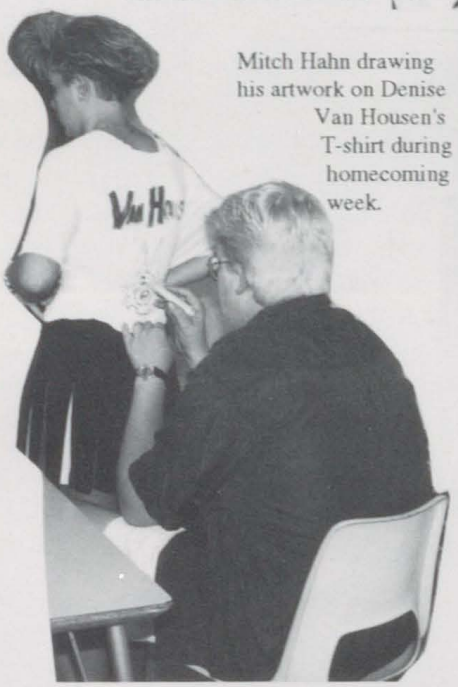
A teacher's life: Some aspects of our job are stressful, some dangerous and still others per enjoyment. Pat Vest dislocated her thumb while helping an injured football player. Mr. Gray trying to look useful keeping lines for a volleyball game. Mr. Leckron laying down the law on the first day of school in the gym, he sounded tough-but the students weren't too afraid of this first time principal at Polk-Hordville. Mr. Jacobsen needing his morning caffeine giving Kris Lindburg some counseling . Even the elmentary teachers get into the excitement of the homecoming pep rally and join in the "wave". A teacher's life is full of unexpected events and we love every minute of it.

Joe Mowitz finds time in his busy day to take a nap. Mr. Leckron, the new high school principal, wonders if it's an everyday occurance for him.

Angie Anderson gets a new hairdo with the help of her friends.

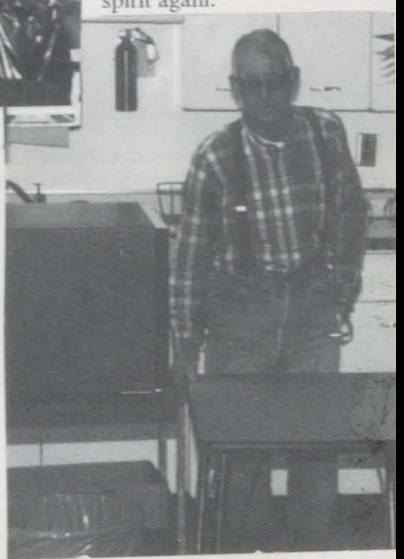
What is the school coming to? Could it be? Gene' Stevens flashing? Mrs. Lott tells Mr. Bridges to change that station fast.

Josh Bridges looks on as Tina Bankson wonders if that's a real pumpkin in front of her. No, it's Paul Saeger, showing his school spirit again.



Mitch Hahn drawing his artwork on Denise Van Housen's T-shirt during homecoming week.

Sharon Shoup and her smiling face that we saw each morning handing out bulletins "well most mornings".



Don Bowers wondering where we want this table NOW!

Mr. Hess always wanted to be a cheerleader and one night he got his chance.

Student council members had a great year. They donated money for the post-prom party and to the Make a Wish Foundation. The penny war was a fundraiser put on by them, they got the same minutes off a school day that they had in pennies. Their other fundraisers were a bake sale and the Junior High basketball tournament. To finish off the year they got the board to allow pop in study halls.

Lets play Pitch!

ANNUAL STAFF

Strike A Pose!

Boo!

Look out for the cars

This year the annual staff worked hard. The first decision we had to make was deciding if we would like to change the title of the newspaper. It was changed to "Wildcat Whispers".

After that we went out to sell ad's for the annual. We sold many new ad's and exceeded our goal.

The annual staff went to Columbus for a workshop to learn more about the decisions we had to make for the annual.

To wrap up this year we toured and picked up the 1992-1993 annuals from the Walsworth Publishing plant in Marceline, MO.

Yes this is a camera guys

Are we in annual or English?

We are truly STUDS!

Yes, we sold them all

Scott, HELP!

Hello!

WILDCAT CLUB

Our Wildcat Club sponsors, Becky Carlstrom and Pat Vest, going over final details for homecoming.

Becky, gettin' busy before the big school year.

Tali keeping busy at the concession stand.

Miss Vest shows her spirit.

These three cheeleaders dress up for spirit week as the 3 Musketeers.

Getting the concessions ready for a game, a never ending job.

The Wildcat Club was made up of most of the high school students. Becky Carlstrom and Pat Vest were the sponsors of the club. The students were kept busy by helping in the concessions during the sports season. They all enjoyed that. At the end of the year the high school students sold pizza's to raise money for up coming activities. It went well, but more could of been sold. With one year off, they started having cheerleaders again. They played a big part in helping with the Wildcat Club. They helped with Spirit Week and the Homecoming dance and getting things organized. All of them enjoyed the experience, even though it was a long year. They learned to work with each other and it also gave them a boost of confidence to be out in front of everyone. What an experience! The All-Activities Banquet was another event put on by the Wildcat Club. Over all this year was successful.

Cheerleaders

Point Blank?!?

Jaymi gives everyone their instructions.

Heidi put the guns down.

This year's one-act play was entitled "That Was No Lady, That Was A Private Eye," a comedy take-off of the classic hard boiled detective stories. Under the direction of Mike and Carol Lind, the Polk-Hordville team won the CRC contest for the third straight year. Kari Erickson received an outstanding actress award. Polk-Hordville also captured first place at the district contest, earning them a trip to the state contest in Hastings. Sheri Sundberg was recognized as an outstanding actress. State contest was held December 12 where the cast and crew placed eighth. Eight seniors gave their final performances this year, we wish everyone the best of luck next year.

National Honor Society held a tea in May to induct the new members of the Polk-Hordville Chapter.

Members are of an elite group. Membership into the Polk-Hordville chapter has been earned by the effective demonstration of four qualities.

The first quality a candidate must have is Scholarship. Scholarship means a commitment to learning. It shows that the student is willing to spend hours in reading and studying, knowing the lasting benefits of a cultivated mind.

The next quality is Service. Service can be described as the willingness to work for the benefit of those in need, without recognition. We are committed to the idea of volunteering our time and abilities to the creation of a better tomorrow.

Another quality is Leadership. Leadership is shown by taking the initiative in school activities. A leader has self-confidence and will go forward when others hesitate.

The last quality is Character. It is the force with each individuals which distinguishes that person from others. Individuality is a way to describe character. Qualities such as reliability, honesty, and sincerity show character.

These four qualities each shed their own but they represent knowledge.

National Honor Society Pledge

I pledge myself to uphold
The high purposes of the National
Honor Society to which I have
been selected;
I will be true to the principles for
which it stands;
I will be loyal to my school
And will maintain and encourage
High standards of scholarship,
service, leadership, and character.

A great season is a good way to describe volleyball for this year. The team won the CRC Touranment, was champions of the sub-districts and then loss to Humphey St. Francis at districts. There were lots of highs and lows team. Some of girls were because of time. But, found players have for the the senior disappointed lack of playing the talent was from the younger this year. We should lots of experience returning for next year.

Playing hard was what was needed for the girls to play like they did all year. Going into the CRC Tournament rated 4th never let them down. It made them work that much harder. Getting the CRC crown was a goal accomplished. In Sub-districts, they played well against Palmer but could not buy a shot when playing Clarks in the sub finals. The year was good and their record showed it. (17-4)

Mr. Gray receiving the trophy at the CRC track meet

Flashback's

The 1992-93 school year was full of events to look back on. Going into the year with the Sweepstakes Trophy in the office we all had hopes of keeping it and putting our name on it again.

Well, the fall events came around and it proved well worth the dream. The football team won CRC for the 7th straight year, the volleyball team won CRC and the CRC Tournament, the One Act play won CRC for the 3rd straight year & also won districts.

The dream continued with the winter activities. Both the boys and girls won the CRC basketball tournament. Girls finished 2nd in the CRC Season Record and the boys finished 4th in the CRC Season Record. We got a little worried when speech placed 6th in CRC but we tied for 2nd in honor band with 9 members making it.

Then track season came, and the girls won CRC and the boys placed 3rd securing the Sweepstakes Trophy again.

Polk-Hordville wins Sweepstakes Trophy for 2nd consecutive year!!! Great Job!!!!

HOMEC
THE D

On October 2, 1992 Shane Samuels and Ginger Sagehorn were crowned Homecoming king and queen at the half-time of the Polk-Hordville and Benedict game. The attendants were Ryan Fowler & Ronda Ortegren and Darold Carlstrom & Angie Anderson. The week leading up to the big night was spirit week which got the school into the Homecoming spirit. On Thursday evening there was a bon-fire and pep rally for the public to come to and show their support. Friday night after the game the dance's theme was 'The Dance' and music was supplied by Complete Music.

Tomorrow's Wish

Junior Class

On winged feet the four years pass
And now we honor our Senior class.
Beyond these walls, this town, this state
A whole new world now lies in wait.
You've much to learn, we're often told
Wisdom to gain before you're old
But tonight-before you turn and go
Your seperate ways, as well we know,
Enjoy this place, these hours, this school
In memory they'll return to you.

Misti and Jaymi take time out to get a picture in.

Yesterday's Dream

Misti asks Denise, "How do you think this should be done?"

April believes it should be done this other way.

Scott asks Annie, "Does the spoon go on the left of the fork?

Darold was congratulated for playing every game this year without being sidelined for injuries.

The 1993 All-Activities Banquet was held Friday, May 7th in the Polk-Hordville Elementary Gym. The theme was "We Are The Champions" which fit the 1992-1993 school year wonderfully. Every activity had a champion year with high ratings in their events.

Matt Ansbach and Ronda Ortegren served as Masters of Ceremonies. The evening started with a smorgasbord meal and ended with everyone scurrying to their cars because of the weather.

As the evening progressed, the audience wondered what was going on outside. The roar of thunder could be heard and the lights went out twice while Mr. Leckron was talking. Finally a tornado warning was given and the evening was cut short with everyone wanting to get home.

Dissappointment was shown when the dance couldn't be held, but we have no control over the weather. The evening was still a success with all the students being recognized for their contribution to the activities held here at Polk-Hordville High School.

Ronda Ortegren and Matt Ansbach served as Toast Mistress and Master of the evening/

Mr. Ashby had to keep redoing things during the evening, it seemed he kept forgetting to recognize Shoup?

The six months spent in the Polk-Hordville High School have been a real good experience for me. The change from Rome to Polk at the beginning was real hard but then thanks to the people in the community I really enjoyed my staying.

O Christmas Tree!

Freshman, their name suited them. "Fresh" into the high school setting. They had to get use to lots of changes.

They started the year out with a pep talk from their sponsor about getting involved. It seemed only one person wanted to run for class officer.

Then throughout the year, other options had to be explained in detail for this "fresh" class to understand.

Can you tell we are Freshman?

Class Officers were: Nolan Sundberg, Pres.; Clint Erickson, Vice-Pres.; Annie Shenk, Sec.; Mindi Sealey, Tres.; & Ed Mundt, St. Co. Rep.

The Juniors this year had an exciting year. The class officers were Jaymi Recknor, President; Denise Van Housen, Vice President; April Kortum, Secretary; Mitch Hahn, Treasurer; and Scott Hoffman, Student Council Representative. They were kept busy with magazine sales at the beginning of the year and just kept getting busier and busier with prom preparations. Even though their class is small, the prom was a huge success!!! Since their year has come to a happy end, they are looking forward to their last and final year at Polk-Hordville High School.

1993 Wildcat Flashbacks Colophon

The 1993 Wildcat is the sixth yearbook produced by Polk-Hordville students.

The book was printed by Walsworth Publishing Company in Marceline, Missouri. Gregg Adams was the sales representative.

A variety of layout styles were used throughout the book. The type set for the body of the book was Times. Body copy was 10-point, captions were 8-point and headlines were a variety of sizes and type set.

The paper stock used for the book was 80-bound enamel. The endsheets were printed on Roman Marble stock paper.

The division pages were designed by Angie Anderson with copy of 30 and 36-point Zapf Chancery.

The laminated cover was designed by the Walsworth's art department using a duo-tone photo the class members found to go along with their theme, "Flashbacks". A picture of the school was used to remind everyone the flashbacks of memories come from inside the walls of our school. The color used were 80% Indigo.

Four-color processing and spot color was used in the 5th signature for the senior page. Spot color was also used in the 3rd signature.

Pictures used were taken by the annual staff and processing done through the Walgreen Drug Store in Grand Island, Nebraska. The under classmen photos were taken by Life-Touch and the senior portraits were taken by a variety of photography studios in the area.

There were 110 books printed, each containing 87 pages. Prices for the yearbook were $15, without name on the cover, and $17, with name on the cover, for early buyers. Then the prices went up $2 for both categories.

Special thanks to the class members for their hard work throughout the year. Sheri Sundberg and Kris Lindburg, seniors. Scott Hoffman, Mitch Hahn, Denise Van Housen and Daylene Chang, juniors. Carissa Smelker, sophomore. We also had help from our foreign exchange student Veronica Frazzetta the first semester. She was missed the rest of the year.

Also a big thank you to the students, faculty, administrators and parents for their cooperation for allowing photos to be taken of them throughout the year and for purchasing a yearbook &/or ads.
